Benefiting Good Neighbor Center
Nordic Northwest | Thursday March 14th, 2024

Did you know:

Good Neighbor Center (GNC) has served the Tigard community for 25 years. Last year GNC sheltered 190 individuals, with over 50% of them being children. The primary driver of families experiencing homelessness in Washington County is the significant rise in the cost of living.

Good Neighbor Center's mission is to provide a safe haven for families experiencing housing insecurity. GNC supports families with case management and resources, empowering families to regain stability and rebuild their lives. We firmly believe that every person deserves a place to call home and the opportunity to thrive.

The expenses associated with aiding families experiencing homelessness have seen a substantial increase in recent years. Although, Good Neighbor Center receives limited government funding, it falls short of covering the escalated expenses required to assist families in crisis. Community support is required to keep our doors open.

Good Neighbor Center's **Home for Hope** is an annual celebration where we express our gratitude to the generous donors and supporters who make our work possible. This event will aid in supporting our families for this upcoming year. GNC will be serving food, beverages, hosting a silent auction, as well as featuring a guest speaker who is a past resident at GNC. Come and learn about ways to get involved in our mission and meet our team that makes this important work possible. Your partnership with GNC will raise funds, allowing us to keep our doors open and support families in need. With your support, we can maintain our vital assistance to families experiencing homelessness and work towards breaking the cycle of poverty.
